

WELLS CARNIVAL PROGRAMME 2024 PROVISIONAL LISTINGS

Please note, this list is not complete. Events not requiring sponsorship may have been left off and others may be added, at a later date. The prices below, in some cases, help towards the staging of an event and do not reflect the true cost of that event. The cost quoted would be the amount that would credit you with sole sponsorship for that event. Businesses may wish to consider joint sponsorship for costlier events.

Please call Shirley: 07990720887 - should you wish to discuss sponsorship.
